Mandatory Training for VA Health Professions Trainees (HPT)

In order to be granted access to VA resources, you must first complete all of your assigned mandatory training. Required courses are accessed via the VA Talent Management System (TMS).

To access the TMS, you must first create a TMS user profile. Once you have created a user profile, you will see the list of specific training courses and the date by which each must be completed.

In order to access the TMS, you must use one of the following browsers:

- Internet Explorer (7.0 to 11.0)
- Mozilla Firefox (3.6.x.x and above)
- Safari on Mac (6.0 and above)
- Google Chrome (23.0.x.x and above)

To ensure that the training courses operate correctly, your system must also have the following software installed and enabled:

- Flash player version 10.0.0 and above
- Adobe Reader 9.0 and above

You will be required to provide specific information about yourself as well as information related to the work you will be doing. Your VA Point of Contact should have provided you with the following information:

1. The VA Location being supported.
2. Your Trainee Type and Specialty/Discipline.
3. The VA Point of Contact’s First Name, Last Name, Email Address, and Telephone Number.

The above information is required in order to create your profile. Make sure that you have it before starting this TMS User Profile creation process.

Step-by-step instructions for creating your TMS profile and then launching and completing the required training follow.

If You Need Assistance

If you have any questions about the information to be provided or experience difficulties creating a profile or completing the mandatory training(s), contact the VA TMS Help Desk at 1.866.496.0463 or via email at VATMSHELP@VA.GOV.
A. Checking Your System

It is important to ensure your computer system complies with all of the software requirements for accessing the TMS as well as operating all of the courses. The CHECK SYSTEM function automatically does this for you.

1. Open your browser and access https://www.tms.va.gov/.
2. Select the CHECK SYSTEM link.

![Figure 1: VA TMS Login Screen with the Callout of the Check System Link](image1)

Once the check is completed, a pop-up window displays the results.

![Figure 2: Software Check Results Pop-Up](image2)
If there is/are errors detected with your browser version and/or the absence or incorrect versions of Flash or Adobe Reader, those errors will be noted. In order to proceed, you must install and enable all of the correct versions of this software.

If your system passes or you have corrected the errors, then proceed with the creation of your TMS User Profile.

B. Create Your TMS Profile

1. From one of the above browsers, access https://www.tms.va.gov/.
2. Select the CREATE NEW USER link.
3. The first screen requires you to select the overall VA organization that you will be supporting. Select the **VETERANS HEALTH ADMINISTRATION (VHA)** radio button.

![VA TMS SELF ENROLLMENT](image)

- If you are a VA EMPLOYEE and need a VA TMS profile, do not create an account here. Please contact your local VA TMS Administrator.
- If you need assistance with self-enrollment, please contact the VA TMS Help Desk at 1 (866) 496-0463 or via email at VATMSHelp@va.gov.

Please answer the following question to begin the Self Enrollment process:

I will work at, or will attend an event sponsored by...

- Veterans Health Administration (VHA)
  The VHA is the nation's largest integrated health care system, with more than 1,700 hospitals, clinics, community living centers, domiciliaries, readjustment counseling centers, and other facilities

- Veterans Benefits Administration (VBA)
  The VBA administers a variety of benefits and services that provide financial and other forms of assistance to Service members, Veterans, their dependents and survivors

- National Cemetery Administration (NCA)
  The NCA provides burial benefits to veterans and eligible dependents, and operates 131 national cemeteries in the U.S. and Puerto Rico

- Office of Information and Technology (OIT)
  The OIT acquires, delivers, and manages technology to VA and acts as a steward for most of VA’s information technology assets and resources

- VA Central Office (VACO)
  VACO is a general term covering all other Program, and Staff Offices
